1. The minutes of the last Secretaries Meeting were read & confirmed.
2. The letter of suggestion issued after the Conference of 1897 was read clause by clause & discussed.
3. Mr. Anson suggested that at every Branch meeting or at every other Branch meeting the chairman of the meeting should say a few words about the principles and work of the Union for the benefit of strangers.
4. Mr. Franklin suggested that a circular should be sent round before the time of the Conference by local Secretaries to the Branch

members asking them for suggestions for papers and discussions.

5. Mr. Linderhill suggested that when a Branch was in financial difficulties it would be a good plan to invite a popular lecturer to address a meeting. Such a lecturer need not necessarily have anything to do with P.H.E., but the opportunity might be used of speaking about the Union - a charge for admission should be made to outsiders, & the proceeds after payment of expenses could go to the credit of the Branch.
